CALIFORNIA LEGISLATURE—2013–14 REGULAR SESSION

ASSEMBLY BILL

No. 2195

Introduced by Assembly Member Achadjian

February 20, 2014

An act to amend Sections 256, 257, and 258 of the Welfare and Institutions Code, relating to juveniles.

LEGISLATIVE COUNSEL'S DIGEST

AB 2195, as amended, Achadjian. Juveniles: truancy.

Existing law provides that a juvenile hearing officer may hear and dispose of any case in which a minor is alleged to have committed any one of specified misdemeanors or infractions. In those cases, the juvenile court is known as the Informal Juvenile and Traffic Court. Existing law also provides that a minor may be adjudged to be a ward of the juvenile court on the basis of certain noncriminal conduct, including truancy, as specified.

This bill would authorize a juvenile hearing officer to hear cases in which a minor is alleged to come within the jurisdiction of the juvenile court on the basis of truancy, as specified. The bill would authorize a hearing before a juvenile hearing officer, referee, or judge to be conducted upon a written notice to appear for truancy, with the consent of the minor. The bill would prohibit a judge, referee, or juvenile hearing officer from proceeding with a hearing of a minor on the basis of truancy unless the court has been presented with ~~clear and convincing~~ evidence that the minor's school has undertaken certain actions to address the minor's truancy and ~~a complete~~ *the available* record of previous attempts

to address the minor's truancy. *The bill would provide that a court in these cases may restrict the minor's driving privilege, order the minor to pay a fine of not more than \$50, and order the minor to perform community service.* The bill would, among other things, authorize the judge, referee, or juvenile hearing officer to give the minor the opportunity to demonstrate ~~good improved~~ attendance before imposing orders, as specified, and ~~would require the dismissal of the case upon demonstration of good attendance. The bill would also prohibit the court from imposing a fine or court fees in these cases: those orders.~~

Vote: majority. Appropriation: no. Fiscal committee: ~~yes~~-no.
State-mandated local program: no.

8 amended to read:

9 257. (a) (1) Except in the case of infraction violations, with
10 the consent of the minor, a hearing before a juvenile hearing officer,
11 or a hearing before a referee or a judge of the juvenile court, when
12 the minor is charged with an offense as specified in this section,

15 Chapter 2 of Division 17 or Section 41103 of the Vehicle Code,
16 or an exact legible copy of a written notice given pursuant to

23 *subdivision (b) of Section 601*, in lieu of a petition as provided in
24 Article 16 (commencing with Section 650).

25 (2) Notwithstanding any other law, in the case of infraction
26 violations, consent of the minor is not required prior to conducting
27 a hearing upon written notice to appear.

28 (b) Prior to the hearing, the judge, referee, or juvenile hearing
29 officer may request the probation officer to commence a
30 proceeding, as provided in Article 16 (commencing with Section
31 650), in lieu of a hearing in Informal Juvenile and Traffic Court.

32 SEC. 3. Section 258 of the Welfare and Institutions Code is
33 amended to read:

34 258. (a) Upon a hearing conducted in accordance with Section
35 257, and upon either an admission by the minor of the commission
36 of a violation charged, or a finding that the minor did in fact

38 may do any of the following:

39 (1) Reprimand the minor and take no further action.

2 supervision of the minor for a period not to exceed six months, in
3 addition to or in place of the following orders.

4 (3) Order that the minor pay a fine up to the amount that an

6 otherwise specified within this section, in which case the fine shall
7 not exceed two hundred fifty dollars (\$250). This fine may be
8 levied in addition to or in place of the following orders and the

11 consider the ability of the minor's family to pay.

12 (4) Subject to the minor's right to a restitution hearing, order
13 that the minor pay restitution to the victim, in lieu of all or a portion
14 of the fine specified in paragraph (3). The total dollar amount of
15 the fine, restitution, and any program fees ordered pursuant to
16 paragraph (9) may not exceed the maximum amount which may
17 be ordered pursuant to paragraph (3). This paragraph may not be
18 construed to limit the right to recover damages, less any amount
19 actually paid in restitution, in a civil action.

20 (5) Order that the driving privileges of the minor be suspended
21 or restricted as provided in the Vehicle Code or, notwithstanding
22 Section 13203 of the Vehicle Code or any other provision of law,

38 hours over a period of 60 days, during times other than his or her
39 hours of school attendance or employment. Work performed
40 pursuant to this paragraph may not exceed 30 hours during any

4 a referee or a juvenile hearing officer, it shall be approved by a
5 judge of the juvenile court.

6 For the purposes of this paragraph, a judge, referee, or juvenile
7 hearing officer may not, without the consent of the minor, order
8 the minor to perform work with a private nonprofit entity that is
9 affiliated with any religion.

10 (9) In the case of a misdemeanor, order that the minor participate
11 in and complete a counseling or educational program, or, if the
12 offense involved a violation of a controlled substance law, a drug
13 treatment program, if those programs are available. Any fees for
14 participation shall be subject to the right to a hearing as the minor's

16 order, exceed the maximum amount that may be ordered pursuant
17 to paragraph (3).

19 unexcused absence.

25 parent, guardian, or other person in charge of the minor. The
26 maximum length of an order made pursuant to this paragraph shall
27 be six months from the effective date of the order.

28 (12) Make any or all of the following orders with respect to a
29 violation of the Fish and Game Code which is not charged as a
30 felony:

9 the Penal Code, make the order that the minor shall perform
10 community service for a total time not to exceed 20 hours over a
11 period not to exceed 30 days, during times other than his or her
